

TEAM EXPERIENCE

Travis Williams

Director of Construction and Property Management

Travis Williams is the Director of Construction and Property Management for Meridian Development Group (MDG). With 10 years of commercial real estate experience, Mr. Williams is responsible for:

- Directly managing due diligence, entitlement, coordination of plan design, permitting, development of budgets and cash flow models, project scheduling, bid and contract administration, and construction management all new Meridian construction projects and tenant build outs. Capital Expenditures for 2007 exceeded \$5,000,000
- Coordinating the development team including architects, engineers, and contractors for the creation of the project amenities
- Ensuring the ongoing professional appearance and maintenance of Meridian's two million sq. ft. real estate portfolio

Mr. Williams was previously Development Manager with Blair Communities, Inc. and prior to that was with The Whiting-Turner Contracting Company as a Project Engineer and Assistant Project Manager. Mr Williams has been involved with the engineering and project management for area projects totaling \$82.4 million.

Mr. Williams holds a Master of Business Administration from the University of South Florida with a specialization in Advanced Financial Management and Marketing Strategy. He earned a Bachelor of Science in Civil Engineering from the University of Florida and holds an active real estate sales license.
